2015 marks Academic's 25<sup>th</sup> anniversary. In a historic collaboration, leaders at each SUNY academic health science center recognized the value in establishing Academic as the clinical faculty's own insurer. As a **Teaching Doctor Owned and Governed Insurer**, Academic stands apart providing unmatched service as well as specialized knowledge and experience meeting the professional liability insurance needs unique to clinical educators.

## GETTING AHEAD OF MALPRACTICE CLAIMS

- If you are served with papers, named in a complaint or are worried about an incident that you feel could result in a claim, call Academic or your Risk Manager, as appropriate, and report it.
- Reporting an incident ***does NOT*** impact your insured status or premium.
- As an Academic Insured, if you ever have *any* questions, call Academic claims staff or our 24/7 Hotline.
- Academic will assign counsel from our panel of experienced trial counsel for covered claims and, when necessary.
